EXPERIENCE:

Hudson County Community College, Jersey City, NJ

Tutor

Sep 2021 – Dec 2021

- Instructed students through class material discussions, problem-solving, and assignment reviews.
- Delivered personalized instruction to enhance academic performance for individuals and small groups.
- Managed confidential records of students' assessments, progress, feedback, and school performance.

Aloha Mind Math, Jersey City, NJ

Tutor

Jan 2020 – March 2020

- Reviewed class material with students by discussing text, working solutions to problems, and reviewing worksheets or other assignments.
- Organized the tutoring environment to promote productivity and learning.
- Assessed progress of each student throughout tutoring sessions.

PROJECT:

Anime Application Project

July 2023 – August 2023

- Developed a web application using PHP, HTML, CSS, and MySQL to enable users to track, add, remove, and delete animations from their watchlist.
- Implemented API integration to fetch animation information and store it in the database.
- Enabled admin users to perform bulk operations, such as removing all animations or deleting from user's database.
- Designed an intuitive user interface for easy navigation and a seamless user experience.

ACTIVITIES/AWARDS:

INROADS, Inc., Orlando, FL
